April 5 2015 The Resurrection changes Lives

Dear Partners,

What a privilege to serve the Risen Saviour. Praise the Lord for that special day so many years ago. Today we had a sunrise service at **Lower Bena Baptist Church**. People tend to move slower so it actually started about 7:30 am instead of 6:00 am. But it was a great service. We celebrated the Lord's Supper! We studied Luke 24 as many do on Easter. The resurrection of Christ change the lives of those women. They came to anoint a body, but instead they left proclaiming the resurrection! The resurrection changed their lives forever. **And it must change ours as well!**

We are so grateful to be part of God's plan to change lives.

In our Family: New addition!

We welcome a sweet new addition to our family Friday April 3rd. Sweet little **Zoey Grace Taylor** was born around 5:45pm Friday coming out at 7 lbs 14 oz and 20.5 inches of sweetness. Lori had the privilege of being there to greet her with Zoey's parents, Rod and Rachel. Both are doing well and we expect them to come home on Sunday. Pray for the Taylor family as they all adjust to Zoey's arrival. Lori will be with them one more week before she leaves Cincinnati and goes to Rochester, NY.

In our Family: Aaron's teacher Aide Michelle Safatigi **Michelle** graduated from University of Goroka with a diploma in early Childhood education. We are so grateful for Michelle helping us to teach Aaron.

In His Ministries: Baby Ministry

Pray for Baby **Moses and his family**. His family came to visit

me yesterday. Moses was running a fever. Pray as Moses adjusts to being home. Pray for his father, Steven, as he still needs Christ as His Savior. We want to see God work in this family. We praise the Lord for Moses' mother and older brother being saved. We want DAD to be saved too!

In His Ministries: Clinic Ministry

Pray for us this week as we **repair the clinic roof and the ambulance**. A lot of work needs done to both. Pray for safety as we work and that God will allow things to be done safely and properly. Pray that there is enough money to do the necessary repairs.

In His Ministries: Goroka Baptist Bible College

GBBC exists to train Papua New Guineans for the Gospel ministry. Pray for our students. Many struggle to pay school fees. Will you consider giving some funds to provide a work scholarship for the students. We have a 2 week break coming up that students will stay on campus to work. We need funds to cover those wages. We need about \$3000 to cover this term's work scholarship. **(see links below for more info)**

Pray as we try to train PNG men and women to reach PNG for Christ. We strive to do the best we can. WE need your prayerful support. Thanks for making a difference.

We are honored to be partners with you to see God change Lives here in PNG. Thank you LORD for the RESURRECTION!

No reserves, No regrets, No retreats,
