

## Battle Lines are DRAWN!

November 18, 2012 [www.wsmithpng.abwe.org](http://www.wsmithpng.abwe.org)

The reality of Spiritual warfare has been literally in our faces this week. Bill has gone from one meeting dealing with problems and issues, to a phone call with more problems and issues to pastors and church members waiting in LINE with more problems and issues. Our students, Bible school staff...more and more issues and problems. Satan has gone from shooting fiery darts with a bow to using automatic weapons as the intensity of preparation for this monumental week ahead has escalated.

Are we discouraged or overwhelmed...NO! WE are on fire!!!! Our armor is in place and we are seeking to join forces with you all as we face our enemy...the battle lines are drawn and we URGENTLY NEED to join our Shields of FAITH with yours to create an impenetrable barrier around our conference this next week.

Many of our **pastors are discouraged, their wives are discouraged....** they are tired, and weary in their well doing. They face Satanic attacks, suffer with financial struggles, and have family needs.

We have seen the forces of the enemy just explode this last year.

**Sorcery**, false accusations of sorcery and demonic activity has been a continuous battle across our land. Sadly many of our Pastors and church folks have just turned their eye to this evil..even at times just giving into and allowing it in their midst. We need to stand firm on the TRUTH. Our conference is going to hit this problem in the root....where culture and GOD's WORD clash. What are the right answers...how can we stand FIRM in our FAITH in these perilous last days when Satan is unleashing his power of destruction in last attempt before we see the Victorious return of our Savior.

Satan does NOT want this to happen. He does not want fire lit in the hearts of our Pastors and their wives.....and he is making his presence in battle clear.

**JOIN US in our battle cry of PRAYER!!!**

**God has shown HIS power in our midst as we just watched Him remind us of HIS presence and provision with us this week.**

1) Bill faithfully saves each receipt and submits the massive paperwork faithfully each month to claim every single toea (cent) back from the Government allowed that has been spent in taxes for non food or personal items purchased. It is tedious work, but OH how GOD has blessed his careful use of God's money! THIS WEEK , the most timely ever, GOD used the arms of the PNG Government to give us HIS HUGS of provision. The Bible College, the clinic and our personal ministry funds were blessed with a CHECK! Not only does that provide for the added expenses of the conference, but also allowed us to complete our desired HUG for the Pastors' wives Lori had dreamed about. We had been given four sweet hugs, but that was not enough for all that was needed...GOD sent the rest! HIS WAYS are just amazingly loving! WE PRAISE HIM!

2) WE are so blessed by the national Pastors that have agreed to speak this next week on issues very difficult to confront. Please pray for these men to be used of GOD to challenge their fellow PNG brothers with standing for TRUTH when it is

hardest...when they must stand against the very culture they have been brought up with. So much of the PNG culture is wonderful, but that Satanic influence and tolerance and even participation is NOT! When we first began to talk about this the national men agreed the need is GREAT but nobody was wanting to face it...GOD has worked, moved and stirred!

**Pray that HIS WORD will have free course as they men of GOD stand up and PREACH!**

4) WE rejoice that as we have pleaded with GOD for the ability to provide work for our students wanting to stay and find provision for their school fees next term. **GOD has given us \$1000 of that need** this week! HOW AWESOME is HE! We are excited in that this money not only helps the students find provision for their training, but also their work done benefits the local churches and our school as well. It is the gift that gives TWICE!

Pray with us for the remaining funds(**still need about \$1500 for work scholarships**) for us to keep them BUSY all the way through until the new school year begins January 28th!!

5) With a whole "herd" of people coming Monday, they are sure to come with a whole "host" of illnesses looking for help to treat! Our clinic will be a busy place helping the faithful servants ministering in places medical care is not readily available. Again, **GOD has stocked us up with the supplies from Lae and a wonderful array of love gifts sent by many of you faithful partners in the USA!**

**GOD is too good! We just stand amazed at HIS provisions!**

We thank you for standing with us this week! As we join forces and pray we expect by faith to see GOD to the miraculous in the lives and hearts of our coworkers and our own hearts as well. WE are excited for the ladies conference and the men's conference and the joint conference. WE are eager to have the ladies come to our home for fellowship so we can

**LOVE ON THEM!**

**WE need your prayers...**

- 1) STRENGTH and HEALTH (It will be a wild week for us as you can only imagine!!)
- 2) Protection and safety as our dear friends travel from all across the Nation and even some coming from the Islands to join us!
- 3) FOR GOD TO BRING REVIVAL! If revival comes in the hearts of our leaders it will spread to our churches!!
- 4)For God to provide all that is needed for the extra expenses conferences inevitably bring!  
HE IS ABLE!

***We will be updating you through the week as to how GOD is working...stay tuned. IT is sure to be an exciting week as we join our hearts and hands in asking GOD TO MOVE OUR NATION from the inner circle outward! We are in battle...but victory is ours THROUGH CHRIST!!!***

CHARGING with the Bayonets of HIS WORD!!!  
NO RETREATS....NO RESERVES...NO REGRETS!!!!!!
