## Be Still & Know

<http://billandlorismithpng.com>

This was a relatively **STILL week** in our normally very turbulent lives here in PNG. Still is good....I am often so thankful for the quiet still moments of the day. Each morning from 3am to around 4 am , our sweet Nesove has a time of wakefulness. It is his play time. For me it is my STILL "prayer closet" time. The quietness of the house with just sweet heavy breathing noises from my other soundly sleeping guys, and the quiet PNG night sounds as swishing bats and whirring bugs enjoy their nightly feasting on my garden trees, makes the perfect backdrop for moments of sweet fellowship with our amazing Creator GOD.

How thankful I am that as we are STILL and spend time sharing our heart and listening to HIS, our GOD communes with us. He hears and answers needs in the most amazing ways.

This week, my loving Father orchestrated the perfect time for illness for me. I was sick ALL WEEK. It was not a great time to be sick, as there is never a good time to feel yucky, but this was the

- All the **babies and moms from the deliveries** these last weeks are thriving and healthy.
- The **man with the 105 (under the arm!!)** fever is doing MUCH better this week!
- **Lori** has her voice back...between hacking coughing... 
- Our **team meeting** was filled with great unity and God's direction.
- **Lilian and Richard (Able's parents)** are back together (see details below of that miracle!)

## Baby ABLE is ONE Year Old

WE have seen so many answers to prayer as we have all trusted , KNOWING GOD was at work in the many needs we quietly and faithfully brought to HIS THRONE. **Friday was our sweet baby Able's birthday**. HE is ONE, and GOD gave him the most incredible GIFT! **GOD gave him back his daddy!** As we have agonized in prayer, Richard has come back to the LORD and his family, leaving his wretched life of adultery and abuse of his wife and kids. The other woman is a very evil gal to be sure and

week of our Spiritual enrichment and team planning meetings. I had to literally SIT all week. I never ever sit! IT was needed rest for my body that GOD knows HE had to orchestrate with my tendency to push myself to work when I should stop. I tried medicine, which made my fuzzy and buzzy, and then just dealing with the symptoms, not fun either...but as with all illnesses by the end of the week I was feeling better either way. I was well enough to have Clinic all day Friday (our meetings ended Thursday!). WOW was I glad. There was over 120 people really sick in need of help that we were able to share CHRIST with!! I am still coughing some (I found out literally how accurate my Patients' description of this cough was as being "SO HARD they felt their intestines would come out"...yep!) but we were able to help the many that could not find help at the hospital either this past week as they are out of medicine totally there!

PLEASE PRAY for [medicine for our clinic](#). We are going through SO MUCH , SO FAST. WE are trying to purchase cold and cough medicine here but it is just not available readily. If anyone would like to help we sure could use any reinforcements!

### **WE NEED URGENTLY:**

- Cold and Flu tablets/Cold and cough tablets
- Children's cold and flu liquids
- decongestants (phenyephine)
- Children's Liquid Ibuprofen and Liquid Acetaminophen (Tylenol)

You could send it here (takes 2-3 weeks) to  
[SEIGU Clinic](#)  
[PO box 456](#)  
[Goroka EHP, 441](#)

Be STILL AND KNOW is our promise that GOD will keep the supplies we need to keep the loving help available so we can SHINE HIS LOVE to the many hurting around us!

continues to try to entice him back, but Richard has recommitted his life to his family and GOD...so please pray with us that he will remain strong! Lilian was here with our birthday boy on Friday. Her cancer is growing, but so is her still healthy unborn baby! Her countenance glowed as GOD has done this miracle for her and the kids!

We are now in the waiting mode as GOD is working out the details for the wood to be cut and the lumber milled for our very needed [new church at Lower Bena](#). It is just so exciting. The people at church are just in tears as they come to our campus where the wood is being stored and SEE the answer to many many years of prayer and sacrifice! Be still and KNOW....as GOD has led us to attempt this miraculous and "impossible" one week rising of their building for a glorious SUNRISE Easter celebration of the powerful LIVING GOD we serve....HE WILL DO IT. [We still need \\_\\_\\$4000\\_to partner with them](#) and help purchase the cement and nails and other items needed to make this a reality. Pray with us!!

## YOUTH CAMP April 15th - 20th

Be STILL and KNOW is hard to do with the most exciting week of our year so soon upon us! **CAMP is in the air!!** April 15-20 is target week for **prayer**. Our theme this year is **20-20 vision...**"Seeing our life through the TRUTH of GOD's Word". We are so excited...but the cost of food is just unbelievable...BE STILL AND KNOW, GOD will do this.

**How can you partner with us as we seek to reach this next generation?**

- **PRAY**....for the speakers, for the kids to be eager and able to come, for GOD to

We have asked GOD to show us HIS plan for our trip in May. He has provided for [Lori and Aaron](#) to be able to be there for Ruthann's special celebration of college graduation, and have the completion of Aaron's citizenship (Lord willing as we wade through and apply now for the immigration visa and pay the many fees for that all to happen! As you know anything with the government is NOT CHEAP!). We also pray this will be a special time with Lori's parents as they struggle through the many health issues they are facing now. Amo has been given the blessing of "the powers that be" at his amazing school here to join us to have this special time with his grandparents if GOD provides for that. With our furlough plans very uncertain as our field team is shrinking and Bill's responsibilities are expanding, we know this opportunity is golden for us. Please pray. \$4000 is just impossible for us, but as we wait quietly on our GREAT GOD, HE is able to do exceedingly above all we ask, hope or imagine. He already has!

- bring MANY kids to HIMSELF either in salvation or a renewed walk with Him,
- for **great weather that week!** (No rain in the day and rain at night!)
  - **Sponser a kid for camp (for just \$35)** you can pay for a kid get to camp for the week.
  - **Buy a meal** These kids come hungry spiritually and physically. For **\$500** you can pay for a meal for 300 kids!! (we serve 3 each day plus snacks for 5 days so that is a huge help!).

*As I sit her in the stillness of the quiet of writing, feeling the promise of the stillness of the waters Christ promised to lead us to in Psalms 23...the strength of the tree planted by the waters brining forth fruit in all seasons as we hold onto KNOWING Him through HIS WORD in Psalms 1, I am so encouraged. He is at work and orchestrating our lives and we can KNOW and have trust in that plan being perfectly what we need.*

*Shining Out of Darkness  
God moves in a mysterious way,  
His wonders to perform;  
He plants his footsteps in the sea  
And rides upon the storm.*

*Deep in unfathomable mines  
Of never failing skill,  
He treasures up his bright designs,  
And works his sovereign will.*

*Judge not the Lord by feeble sense,  
but trust him for his grace;  
behind a frowning providence,  
He hides a smiling face.  
-William Cowper*

Being still and knowing our GOD is never late. HIS time is always on time as He is the author of the schedule.

Waiting on HIM with you,  
Bill, Lori and the boys.
